“ABOUT THE BAND”

The Redland Shire Band has now been in existence for just over twelve months. Since giving their first public concert on Friday, November 23, 1984 the Band has been in demand for appearances throughout the Redlands, and have many further engagements between now and the end of 1985.

In June of this year, the Band competed in its first competition and were successful in the C Grade section of the Runaway Bay contest, winning two sections outright, were placed second in a further two sections and won the overall aggregate.

They plan to compete in the Nambour and District contest in October of this year and hope to consolidate their position as a good contesting band.

A further concert is planned for the Band in this Centre on Friday, December 6, and already the program is being drafted with a view to providing a most entertaining night.
