We had a ball last year acting out (and hamming up) the twelve days of Christmas. This year we have found a way to tell the story using chocolates. We have bought hundreds of rocky roads, milky ways, wagon wheels and anything else remotely connected to the road to Bethlehem.

Come any time after 5.00 PM and bring a picnic tea to eat on the lawn before the service. The service itself will start at 5.30 and please bring something to share for a community supper at approximately 6.15.

In case of rain - we will abandon the picnic, move the service into the church and still do supper in the hall.

Huskie rides will start at 5.00 and finish when the dogs get tired. The band will be about 30 musicians - so that is going to be spectacular. Our thanks to all the community groups that are working together to make this possible.
